Chapter 29. Indiana University: School of Medicine

IC 20-12-29-1

Medical school authorized; additional provisions

Sec. 1. The trustees of Indiana University are hereby authorized to conduct a medical school in Marion County, Indiana, and to receive gifts of real estate and other property on behalf of the state of Indiana for the maintenance of medical education in said county, conditioned that said trustees shall conduct as an integral part of the Indiana University School of Medicine a full four (4) years' course in medicine in said Marion county, Indiana: Provided, That there shall be no discrimination for or against any school or system of medicine in the university, and that all or each of the schools or systems of medicine now recognized by the state shall have adequate opportunity to teach the practice of medicine in the university according to the principles advocated by them respectively, and it shall be the duty of the trustees of Indiana University to provide such instruction in as thorough a manner as the means at their disposal will permit, and as nearly as possible to provide the same quality of instruction whenever a reasonable demand shall be made for the same: Provided, further, That premedical or other collegiate work done in any college or university of Indiana, which is recognized by the state board of education of Indiana as a standard college or university, shall be received and credited in the Indiana University School of Medicine upon the same conditions as work of the same kind, grade and amount done in the department of liberal arts of Indiana University.
